

CLASSROOM NEWS - 3S

Teachers: Mrs. Shaw and Mrs. Luce

Date: May-June 2017

MAY FLOWERS/SUMMER HOURS

Spring is clearly here which means time to play outside. The children are so happy to be able to run and play outside. This is also a great time to work on our gross motor skills. We have had much time indoors to work on our fine motor skills. Now we can use our big muscles to ride bike, play cars and climb ladders.

On May 11th, we will be having the **Annual Mother's Day Tea**. Mrs. Luce and I will be serving all of the moms a lovely lunch, so come hungry! We will have the luncheon at dropoff time, and it will last until 1:30. We also have some other dates in May so mark your calendar. **May 23th will be Field Day**, weather permitting. **Rain date will be May 25th.**

June 1^s is the last day of school. There will be information to follow. I will be planning an outing for both parents and children.

The month of May will be spent on learning about different flowers and being able to name the different parts of a flower. We will do some fun flower projects, so watch for a new bulletin board to go up soon. We will have a garden center in our sensory box.

During the month of May we will also be investigating all types of bugs (yuck) caterpillars, spiders, bees and butterflies.

As this is the last newsletter of the year, Mrs. Luce and I would like to take this opportunity to thank you for everything you have done throughout the year to help us create a warm, loving and caring environment for your child.

A parent's participation in pre-school is very important to the growth of a child and also a benefit to the teachers. We really enjoyed getting to know you as well as your child. Because of the size of our group, I think it was an amazing situation. Mrs. Luce and I had time to chat with you and really spend quality one on one time with everyone's child.

We hope you have a wonderful summer. We look forward to seeing you around school next year!

Sincerely,
Mrs. Shaw and Mrs. Luce
